## BE A VOICE

When you become a member of Golden State PTA, you join with California's statewide membership of almost one million who care about the education, health and well being of children and youth.

At least 50% of your membership dues in Golden State PTA are forwarded each year to the California State PTA Scholarship and Grant Fund. This support for continuing education is accessed through application and is available to PTA members including graduating high school seniors, teachers, counselors, and school nurses, as well as PTA volunteers.

Keep up to date on what's happening in the California State PTA by subscribing to *PTA in California*.
